

EXECUTIVE ORDER 11647

Federal Regional Councils

The proper functioning of Government requires the development of closer working relationships between major Federal grantmaking agencies and State and local government and improved coordination of the categorical grant system.

I have heretofore directed the Domestic Council to:

(1) receive and develop information necessary for assessing national domestic needs and defining national domestic goals, and to develop for the President alternative proposals for reaching those goals;

(2) collaborate with the Office of Management and Budget and others in the determination of national domestic priorities for the allocation of available resources;

(3) collaborate with the Office of Management and Budget and others to assure a continuing review of ongoing programs from the standpoint of their relative contributions to national goals as compared with their use of available resources; and

(4) provide policy advice to the President on domestic issues.

Furthermore, I have assigned to the Office of Management and Budget the responsibility for assisting the President in developing efficient coordinating mechanisms to implement Government activities and to expand interagency cooperation. Three years ago I directed that the senior regional officials of certain of the grantmaking agencies convene themselves in regional councils to better coordinate their services to Governors, Mayors, and the public.

I have now determined that the measures prescribed by this Order would assure improved service to the public.
